

July 31, 2025

Dear Valued Customer,

Component Business Planning Center
Quality Management Div.
CANON ANELVA CORPORATION

INFORMATION NOTICE OF APPEARANCE CHANGE FOR CRYSTAL ION VACUUM GAUGES

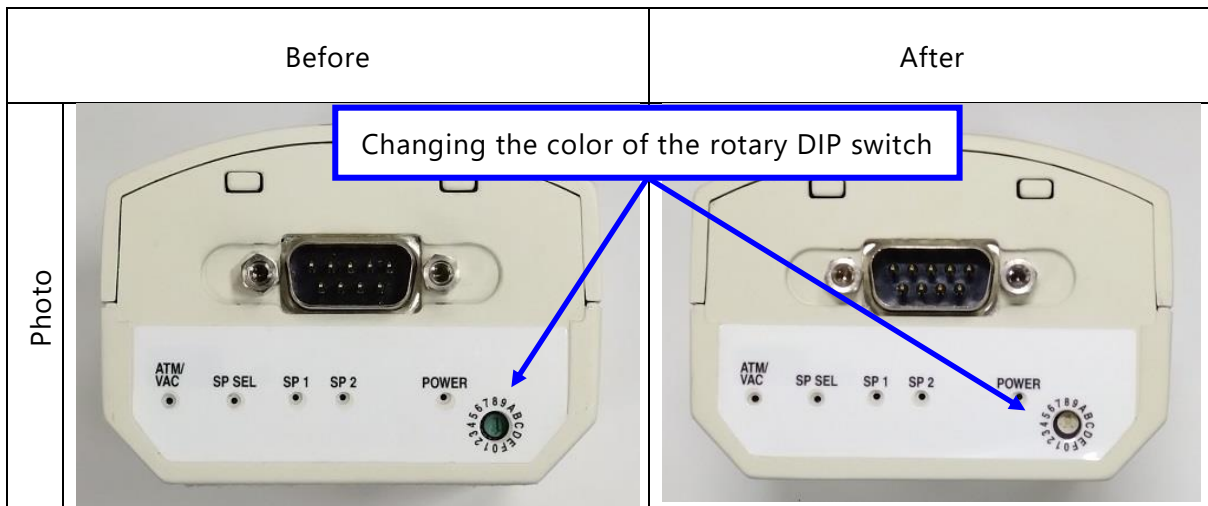

Thank you for choosing CANON ANELVA products.

We would like to inform you that the color of the rotary DIP switch of the M-336MX-SP/
M-336MX-RS Crystal Ion Vacuum gauge changes.

CANON ANELVA promises to continuously improve the product quality and reliability, to ensure all customers' satisfaction. Thank you for all of your support.

Sincerely,

NOTE

[Additional Information]

- Changing the rotary DIP switch does not change the function or performance of the gauge.
- Shipments from October 2025 will be applied sequentially.

Please contact your nearest Sales or Service Office for more details.
