Sales Extension Notice of MagnaTran 7 Vacuum Transfer Robot by Brooks

Thank you for using CANON ANELVA products.

We would like to inform you the extension of sales of MagnaTran 7, a vacuum transfer robot by Brooks, used in our sputtering equipment.

We will continually improve the product quality and reliability to ensure customer satisfaction.

NOTE

Though we have announced the end of MagnaTran 7 vacuum transfer robot production with “VeQRR2_0080-00307” and have set the last order date as June 30, 2021, due to a delay in the launch of its substitute product, we will extend the final order date as follows. There is no change to the end of service date.
