End of Production Notice of Magnetic Circuit by TOKIN

Thank you for using CANON ANELVA products.

We would like to inform you the end of production of the magnet circuit by TOKIN used in our equipment.

We will continually improve the product quality and reliability to ensure customer satisfaction.

NOTE

TOKIN has informed us that they will withdraw their magnet business.

We are currently testing possible replacement parts. Please be noted that once we have adopted one, there is a possibility of some changes to take place, such as in process conditions. Therefore, we advise you to consider purchasing the current magnetic circuit for maintenance use.

\* Contact your closest service representative for the model of the magnet in use.

Final order date : February 28, 2022

End of production date: December 31, 2022

Feel free to inquire of our sales or service representatives for details.
